### **INTEGRITY PACT**

(To be given on letter head of the Supplier/bidder, as the case may be, duly signed by the authority having legal power of attorney to bind the firm/company)

1. This Integrity pact is a fidelity agreement between the Supplier (which include all their employees, agents and consultants etc. who are registered/seek registration or awarded/seek Contract(s)/Rate Contract(s) (RCs) on one hand and **Uttar Pradesh Medical Supplies Corporation Ltd** (hereinafter called UPMSCCL) which includes all its employees/officials.

2. Under this Integrity Pact, it has been agreed, accepted and undertaken to use, practice and observe all the best, clean, ethical, honest and legal means and behavior maintaining complete transparency and fairness in all activities concerning Registration, Bidding, Contracting/Rate Contracting and performance thereto. Neither the Supplier nor the Public Authority which include indenters, Purchase and inspection officials of UPMSCCL shall have conflict of interest of any kind whatsoever nor demand or pay or accept any illicit gratification/bribe or hospitality or consideration/favor of any kind whatsoever and shall not use any corrupt practices including fraud, misrepresentation, misleading or forged/false documents, concealing/suppressing facts, undue pressures or influences from anyone (written or verbal/telephonic), bribery, rigging, cartelization, anti-competitive practices, collusion, which are not limited to, but also include the following:

- (a) **Collusive bidding:** Collusive bidding can take form of an agreement among tenderers to divide the market, set prices, or limit production. It can involve 'wage fixing, kickbacks, or misrepresenting the independence of the relationship between the colluding parties'. In legal terms all acts affected by collusion are considered void.
- (b) **Bid rotation:** In bid-rotation scheme conspiring tenderers continue to bid, but they agree to take turns being the winning (i.e. lowest qualifying) bidder. The way in which bid-rotation agreements are implemented can vary.
- (c) **Cover Bidding:** Cover (also called complementary, courtesy, token or symbolic) bidding occurs when individuals or firms/companies agree to submit bids that involve at least one of the following: (1) a competitor agrees to submit a bid that is higher than the bid of the designated winner, (2) a competitor submits a bid that is known to be too high to be accepted, or (3) a competitor submits a bid that contains special terms that are known to be unacceptable to the purchaser.
- (d) **Bid suppression:** Bid-suppression schemes involve agreements among competitors in which one or more firms/companies agree to refrain from bidding or to withdraw a previously submitted bid so that the designated winner's bid will be accepted.

(e) **Market allocation:** Competitors carve up the market and agree not to compete for certain, customers or in certain geographic areas. Competing firms/companies may, for example, allocate specific customers or types of customers to different firms/companies, so that competitors will not bid (or will submit only a cover bid) on contracts offered by a certain class of potential customers which are allocated to a specific firm/company etc.

3. The party hereby agrees that he will not indulge in any such activity and will inform UPMSCL if any such activity is on. The party further agrees that he will not give any favour, bribe, speed money and gifts directly or indirectly to any employees, officials etc. of UPMSCL and will not commit any offence in contravention of relevant IPC/Prevention of Corruption Act or any Indian law in force.

4. The party hereby agrees that while canvassing order, they will not provide any inducement of the indenter, whether directly or indirectly including cash and non cash both pre, during and post procurement action and inform the UPMSCL if any such event is unfolding for which UPMSCL on assessment of the issue will refer the matter to the concerned administrative authority.

5. In case of failure or default in terms of this Integrity Pact the UPMSCL will be subjected to actions prescribed under the applicable Law of the Land, including penal actions and prosecution, while the Supplier will bear any or a combination of following penalties:
